

# TUESDAY TECH TIP

NIAGARA FALLS PUBLIC LIBRARY/NIAGA LIBRARY SYSTEM

## OCTOBER 17, 2017: SAFE KIDS WORLDWIDE

*Safe Kids Worldwide is a nonprofit organization working to help families and communities keep kids safe from injuries. Most people are surprised to learn preventable injuries are the #1 killer of kids in the United States. Throughout the world, almost one million children die of an injury each year, and almost every one of these tragedies is preventable.*

With Halloween just weeks away, and the winter holidays fast approaching, parents and caregivers begin to think about keeping children safe while enjoying the festivities. Safe Kids Worldwide (<https://www.safekids.org/>) compiles reliable information into webpages and fact sheets to help parents keep their kids safe around various products and activities.

Safe Kids Worldwide provides information related to child safety on a variety of topics, including:

- Button batteries
- Fire
- Medication
- Car seats
- Furniture
- Liquid laundry packets

### ***How can you use Safe Kids Worldwide?***

- ❖ Check out Safe Kids' [product recalls page](#) to check for the safety of products purchased for your children
- ❖ Remind yourself of the ways to keep your kids safe while trick or treating with the [Halloween page](#)
- ❖ Make sure kids are safe during automotive travel and become a CPS technician or instructor by completing the [National Child Passenger Safety Certification Training Program](#)
- ❖ Print fact sheets and infographics, watch videos and browse research reports in the [library](#)

If you want to keep track of new additions to the Safe Kids website, but don't have time to check the site on a regular basis, you can sign up for the [email newsletter](#).
